South Dartmoor Community College is seeking to appoint from September 2018, a well-qualified practitioner to teach Business to an advanced level in an innovative and popular department. An ability to teach Economics would be an advantage. We are seeking an outstanding teacher of Business Studies to cover a maternity leave in our very successful 11-18 school. We expect the successful candidate to provide our students with first-class subject knowledge of the Economic and Business world at KS4 and KS5, so that they leave the school equipped with skills allowing them to reach their full potential at university and in the current job market. Highly qualified NQT's are welcome to apply and we are happy to support the NQT year throughout this time period. The Department and College are focusing on 'building the learning power' of students to ensure that learners are engaged, curious and challenged.

South Dartmoor Community College has recently embarked upon an exciting journey to revolutionise both teaching and learning. If you are excited by innovation and creativity then we would like to hear from you.
