The "Outstanding"(OFSTED 2007) Sixth Form at South Dartmoor Community College are celebrating their best ever Post 16 examination results. Indeed Post 16 results at South Dartmoor place the College's achievements consistently above the national average, with last year's results showing that the College added the fourth most value to Sixth Formers in the county. They reflect the hard work and team effort played by students, parents and staff in the Sixth Form.

The females in the class of 2009 have done remarkably well (average points score 768). The males have noticeably narrowed the gender gap from last year and Year 12 AS students have managed to do even better than last year's AS students, making staff very confident of even greater success in the future.

Year 13 A2 results	24.3% A grades
	53% A/B grades
	81.6% A/C grades
	99.7% A/E grades

Year 12 AS results	23.7% A grades
	47.7% A/B grades
	68.4% A/C grades
	94.6% A/E grades

BTEC	100% pass rate
------	----------------

Childcare CACHE	100% pass rate
-----------------	----------------

NVQ	100 % pass rate
-----	-----------------

Top achieving students are too many to mention but include Molly Andrew, James Harle, Jenny Hooton, Abi Millar, Jaye Noble-John, Amy Oatway, Emily Walker, Tom Webb and Jake Durant. The students will soon be pursuing their career ambitions at University. These results build on South Dartmoor Community College's terrific OFSTED report in May 2007 in which the inspectors described all aspects of the Sixth Form as "Outstanding".
