Free, fun and informative Family Learning Literacy workshop alongside your son/daughter.

TOPIC

'Increasing Your Child's Learning Power—easy, painless, fun ideas for helping your child get the best from school'

It will focus on how your child learns and develops their Literacy skills.

This session will hopefully enable you to have a better understanding of how your child learns in English.

If you are interested please return the form as soon as possible as the session has limited places available.
