

South Dartmoor Community College

Teacher of Science (Physics)

Full-time, Permanent to start 01 September 2024
Teachers Pay Spine, MPS/UPS £30,000—£46,525 dependent on experience

The WeST Country Schools' Trust is seeking to appoint a highly organised, enthusiastic and inspirational teacher to a full-time, permanent contract. The successful candidate will be based at South Dartmoor Community College. They must be able to deliver the curriculum to a high level, across Key Stages 3, 4 and 5, working closely with the Science team. The successful candidate will be a hard-working individual; a teacher with high expectations and an unwavering determination to get the best outcomes for students.

The College this year, secured some of the best results in the South West for student progress. It has a strong staff team in place to ensure every child is enabled to fulfil their potential including specialist teachers at all levels. We have an excellent academic record and our pastoral support is second to none. Our students report that they feel very happy and safe at the school. We are proud of our students and they are proud of their school. The relationships between staff and students are strong. Community engagement is also an important feature; we have an active Parent/Teacher Association (FOSDA—Friends of South Dartmoor Academy).

If you want to work in an inspiring, fully inclusive environment with students who want to succeed, and friendly, supportive staff, then we want to hear from you! You will join a passionate and dedicated team, and a Trust who is committed to providing professional development and opportunities for all colleagues. Part of the WeST Trust, we are an 11-18 College situated in Ashburton on the edge of Dartmoor. With impressive facilities, the college currently caters for approximately 850 students. Devon is a lovely place to live with the stunning Dartmoor and the beautiful Devon and Cornwall Coastline on your doorstep.
