

Dear parents / carers,

## **Intervention-**

We are writing to let you know of a range of GCSE support sessions, available to your child, which will provide them with additional learning opportunities and time to further develop exam technique in the approach to the second set of mocks and formal exam period.

Teachers will be offering sessions to their own classes (as this will see us working with students we know best,) however, it will also be possible for your son/daughter to attend any relevant session they wish.

Y11Fr1- Monday lunchtime – Mr Young 13:15 – 14:00

Y11Fr2- Thursday lunchtime – Miss Mieczkowska – 13:15 – 14:00

Y11Sp1- Wednesday after school – Miss Ellis 15:45-16:45

Y11Sp2 – Monday after school – Mr Ray 15:45 – 16:45

## **Revision Guides-**

You might recall that we wrote to you last year, offering the purchase of a French or Spanish revision guide for the GCSE course. For any students who have not yet purchased one, we would strongly recommend that they do so. CGP offer a range of guides for the new, 9-1 courses, which cover the AQA syllabus. If you need any guidance with these, please come back to me or approach your child's teacher directly.

## **Home-learning-**

Finally, could I take this opportunity to ask for your support in ensuring that home-learning tasks are completed punctually and to a good standard. Tasks will continue to be set weekly, and will always be exam focused, to deepen understanding and/or content knowledge. Furthermore, certain class-based activities are reliant upon preparatory homework tasks being completed beforehand.

With thanks and best wishes,

Dave Ray

Acting Head of MFL
