

18 March 2019

Dear Parent/Carer,

Feedback Fortnight - Years 7-11

Spring Feedback Fortnight starts on Monday 25 March. Feedback Fortnights are an opportunity for you to access your child's learning journey. Over this period your son/daughter will bring home evidence of their ongoing learning progress across the curriculum. For example, this might be their exercise book, sketchbook, learning log or an equivalent.

Your son/daughter will show you a piece of work from each subject that has been completed this term and formally assessed by their teacher. They may also want to show you other work they are proud of where feedback has taken place via other means. You will be able to read the feedback given to your son/daughter and you will also be invited to make your own comment and become part of the learning conversation.

This process works together with the Data Capture reports. Data Capture 2 will be emailed to parents and carers and to students, via their school email, in the last week of this term.

More information on Feedback Fortnight can be found on our website at the following location: <http://www.southdartmoor.devon.sch.uk/page/?title=Feedback&pid=140>

Yours faithfully

Emma Dixon
Assistant Principal Data and Reporting
