**NEW Y11 REVISION ROOM:** Year 11 - I have managed to secure the room next to the Year 11 common room (old GE1) for you to create a quiet revision space for you to use to revise and work at lunchtime. You can bring your food up and eat in here as long as you leave it in an immaculate condition.

Can I stress to you that this is a completely different room to the common room and is for quiet working and is of course open to all and will be open at lunchtimes up until your exams.

The common room duty team (LEA, OSB, DGS, MRY, UPT, HRD) will be stationed in this room during lunch and are happy to support you if you become stuck or need a bit of help on a subject. WOO

**SEAGULL PROBLEM!** You will, I am sure, have noticed that the seagull population is increasing and they are becoming more of a problem. This is entirely due to the amount of litter and food being dropped around the site. The more litter that you drop and the more the seagulls will increase with more chance of you being hit from above.

So I need to ask you to all be really hot on putting all your litter (including bottles and wrappers) into the bins. I know that you all enjoy the option of eating outside but unless we sort out the litter problem then we will have to go back to banning eating outside and making everyone eat in the JMB and hall. We really don't want to do this but we need ALL of your help to make sure we are a litter free site. WOO

**LUCKY POUND CLUB:** Come to the rock for the chance to win a prize of up to £15! All you have to do is pay £1 for a ticket a week. At the end of the week there will be a prize draw where three lucky numbers will be randomly selected. This could be your lucky week!
