FEEDBACK FORTNIGHT 3 - Monday 24th June - Friday 5th July. For the next two weeks your teachers will ask you to take home evidence of what you have been learning in your subject lessons. For example, this might be your exercise book, sketchbook, learning log or equivalent. We would like you to show this work to your parents and talk them through what you have been doing in school and for home learning. Your teachers will want your parents to sign your books to show that they have gone home and your parents may want to write their own comment as well. We have tried to make this easier by using green stickers to show your parents where to sign and/or make comments. Please don't forget to bring your books back into school for your next lesson!

MATHS LINKS BOOKS: Please remember your Maths links homework books that you borrowed from the Library are due back now. If you are still using it please let us know and we will renew it for longer. Please return as soon as possible to save you getting a reminder in your register. Thank you MCY.
