1st July 2019

Dear Parent and Carer,

Bormio – 4 Valli, Italy 2020. 27 March – 3 April 2020

It is with great pleasure that we are able to announce details of the South Dartmoor Ski Trip 2020.

We have on offer, possibly one of the best packages we have had in recent years. Not only is it a very cost-competitive, all-inclusive price, it is also feature packed and ski-in/ski-out accommodation! An outline of the package is as follows:

- **Return coach transport**
- **Full board accommodation** which includes **hot lunches**
- **Bottled water will be provided with lunch and a soft drink with evening meal,**
- **Free Wi-Fi**
- **In-house entertainment programme:**
  -E.g. Karaoke evening, Hamburger/pizza party, Bonfire Nutella party (!?)

- **5 days lift pass**
- **5x5 hour ski lessons** and an hour supervised lunch
- **5 days hire** of carving skis, boots and poles
- **Ski Helmets** for the entire group
- Highly trained **Resort Manager**
- **Snow guarantee** (piste closure insurance)
- **Fully comprehensive insurance**
  -24 hour medical assistance without excesses
  -Ski loss or breakage insurance without excesses
  -Personal money and loss of travel documents
  -Full cover in case of parental redundancy

There is an optional entertainments package that can be bought into that could include Swimming, Bowling and Pizza Restaurant visit. This costs up to £28 in addition to the package price. This can be booked at a later date.

The package cost is £799.00 (over 18s on date of travel £849)

A place on the trip can be **secured by paying £100 on Parent Pay** with the balance to be paid in instalments. Once the deposit has been paid and the place secured, a welcome pack of further relevant information will be sent home via students. This price is naturally fixed with a minimum party number in mind. If there are fewer than that, the trip will still run on the same itinerary but will be subject to price adjustments (increase).

Yours faithfully

Chris Hodges   and   Charlotte Bowen

Head of Geography   Deputy Head P.E.
