Dear parent/guardian,

Sixth Form students who study Psychology have access to a range of textbooks in class and a wider range of textbooks in the Main School Library. Accessing a wider range of textbooks is important as different authors cover content in varying levels of detail and provide variation in how theory, research and research methods are presented.

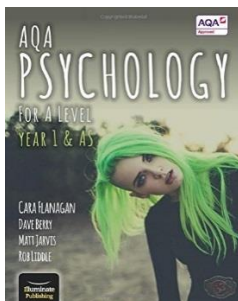

Unfortunately, we are missing a number of the AS Level/Year 1 textbooks, the A-Level Level/Year 2 textbooks, the AS/Year 1 revision guides and the A-Level/Year 2 revision guides that are for the new 2015 specification and are held in the department for use in the classroom for both AS and A-Level students.

We are happy to lend students these textbooks to help them prepare for their AS/A Level exams if we have a record of this, however some have been borrowed without being recorded. In light of this I am writing to you to request that you discuss the matter with your son or daughter and assist them in returning the textbook/textbooks on **Friday 19th July 2019**.

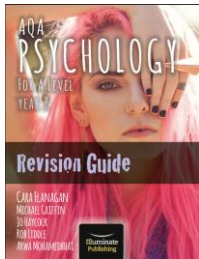

If these books are not returned it could mean there are not enough resources for our Psychology students to make use of in independent study time, in lesson and to have access to more than one AS and A-Level textbook due to replacement costs.

The Psychology texts are:

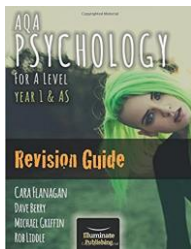

AQA Psychology for A Level Year 1 and AS by Cara Flanagan, Dave Berry, Matt Jarvis and Rob Liddle ISBN: 9781908682406

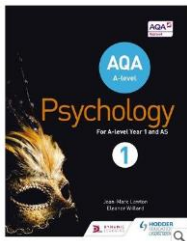

AQA A-level Psychology For A-level Year 2 Revision Guide by Cara Flanagan, Michael Griffin, Jo HaycockRob Liddle and Arwa Mohamedbhai ISBN: 9781908682451

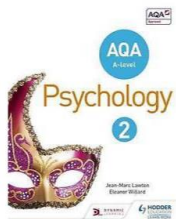

AQA A-level Psychology For A-level Year 1 and AS Revision Guide by Cara Flanagan, Dave Berry, Matt Jarvis and Rob Liddle ISBN: 9781908682444

AQA A-level Psychology Book 1 (Paperback) Jean-Marc Lawton Eleanor Willard

AQA A-level Psychology Book 2 by Jean-Marc Lawton, Eleanor Willard

Yours sincerely,
