Dear Parent / Carer

Re: Year 11 Revision Support Evening: Thursday 26 September - Strategies for Exam Success

In this important examination year, we would like to invite you and your son/daughter to attend an open evening with a focus on revision and exam success.

The evening will offer advice around approaches to effective revision, whilst also taking into account the importance of maintaining well-being.

We will explore the 'science' of revision, model how to create a revision timetable and share strategies for effective outcomes. There will be guidance around supporting your child in having tools to cope with the pressures of examination preparation.

There will also be an opportunity to visit presentation stands from different departments with subject specific revision guides and resources.

The Year 11 Revision Support Evening will take place on Thursday 26 September from 7pm – 8.15pm in the College Hall. In order that we can prepare refreshments for the evening please complete the slip below. We look forward to seeing you there.

Yours faithfully

Ralph Wickenden, Deputy Principal
