

*Dear Parents and Carers of Year 11 students,*

I am delighted to invite you to our 6th Form open evening, Thursday 10th October, 4.30pm - 7.30pm.

We are proud to be offering a broad and varied Post-16 curriculum. We offer a combination of A Levels and Vocational courses as well as GCSE resits in Maths and English. We will be holding a 'subject fair' in the Sports Hall from 4.30 - 7.30pm where you will be able to explore the broad range of Post-16 subjects that we offer between South Dartmoor and the Atrium 6th Form.

There will be three opportunities to visit Place House for a 'welcome to our 6th Form and Post 16 education' talk and then a tour of our 6th Form Centre, Place House. These will be at 4.30, 5.30 and 6.30pm accompanied by current Post-16 students, who will be happy to provide you with information and insight on life at 6th Form as they guide you around the building.

Subject staff from SDCC and Atrium will be available at the subject fair, to discuss their subjects, the outline of the course, recommended entry requirements, the possible progression routes offered and which subjects may complement each other. 6th Form staff will also be available throughout the evening to provide support and guidance and answer questions.

There is considerable advice and guidance available to help Year 11 students choose their options for Post-16 study, we recommend;

<https://www.informedchoices.ac.uk>

Created by the Russell Group of Universities as a useful starting point for students who intend to progress to University.

<https://www.ucas.com/further-education/post-16-qualifications>

Created by the University application process organisation.

<https://www.gov.uk/government/publications/higher-and-degree-apprenticeships>

Information on Apprenticeships available after Post-16.

For additional information please look at our Sixth Form section on the South Dartmoor website and our social media.

Students will be given the opportunity to experience what the 6th Form is like and how the subjects they are interested in are delivered, on Friday 18th October, when we will be holding our annual 6th Form taster day. Students will be able to select their taster day subjects from Friday 11th October.

*Yours faithfully,*

Jared Baldwin  
SDCC & Atrium 6th Form
