12th November 2019

Dear Student and Parent/Guardian,

I am writing to you to introduce myself in my newly appointed role of 'Progress Leader' for Year 11. I have been seconded from my Head of Year role within the South Dartmoor Sixth Form, in order to try and support our current Year 11 students to maximise their attainment and fulfil their potential with us at South Dartmoor.

My work will involve meeting with students to discuss their current levels of progress and explore ways in which we as a college, might be able to support this further to help them achieve the very best qualifications. This will be through targeted intervention, mentoring, Home Learning support and personalised provision for individual students.

I will also be involved in helping students look towards plans for next year, which starts with next Thursday (21st November), where Year 11 will be taking part in a Sixth Form 'Taster Day'. We are proud of our Sixth Form, which has consistently outranked other local sixth forms and often being placed within the top 5-12% of sixth forms nationally, for student progress. It is hoped this will be a positive day for Year 11 and help start to shape plans for next year.

Thank you for taking the time to read this letter and I look forward to working with the Year 11 students for the remainder of this year.

Adam Fox
Year 11 Progress Leader
