#### Why attendance matters

Regular attendance helps students to make good progress and enjoy learning. We take a whole college approach to maintaining excellent attendance; it is a joint responsibility of parents, students and staff. Being at school is a very important part of any young person's life. It enables them to learn and make friends and to gain important qualifications and to develop a variety of skills, which will prepare them for adult life. School and parents/carers are partners in making this a success.

Evidence shows that missing 17 days of College can lead to a drop of **one whole GCSE level (1-9)** in every subject.

Please refer to our '**Attendance Matters**' leaflet and our student **support document** for more information on how to support good attendance.

#### Attendance thresholds
