Dear Parent/Carer,

Re: Impact Day 3 – Friday 7 February 2020

I am writing to let you know about the exciting day we have planned for our third Impact Day at South Dartmoor. The theme for this day is Careers and our subject leader for Careers, Julie Randell, has put together a wonderful programme for Years 7-9.

Years 7 and 8 will have the opportunity to meet and talk to professionals from a range of career areas including the NHS, Centrax, an actress, an osteopath, and a mayor amongst others. They will also have a workshop music performance by singer/songwriter Rich Cottell with a focus on online safety. Year 8s will also participate in an art workshop with visiting artists. Both year groups will also explore careers through a range of other activities in classes.

Year 9 will be taking part in a range of workshops delivered by services including the fire brigade and the army, and by the science team at South Dartmoor. These will be team building and careers based activities. Please can all year 9s attend school in PE Kit with warm over layers (such as a tracksuit or other clothing) for when they are not in an active workshop.

We hope that Years 7-9 will enjoy the day and gain additional insight into careers and future planning.

Yours faithfully,

Ralph Wickenden

Deputy Principal
