

1. Getting to the Website

Go to <https://www.satchelone.com/login?subdomain=southdartmoor>

You can also use the quicklinks at the top of each page on the school website

+ QUICKLINKS

When this opens, select Show My Homework

3. Logging in

From the whole school calendar, click **Log in**

Make sure Parent is selected

Login with your email address and password

If you have forgotten your password, there is an option to reset this by clicking [Forgot password?](#)

No account?

You should have received a parent code via email

Select I don't have an account yet

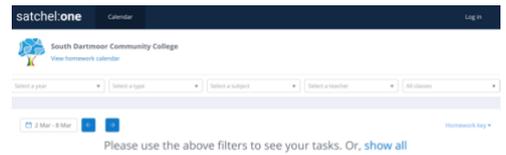

Enter your email address and the parent code

You will be prompted to confirm that you are a parent of this child and that you accept the terms and conditions

Enter your details and a password to complete the sign-up process

2. The whole school Calendar

Using the quick links on the school website, you will get to the whole school calendar

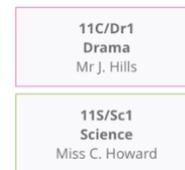

Use the filters at the top to sort by year group, teacher, subject, class, and type of homework

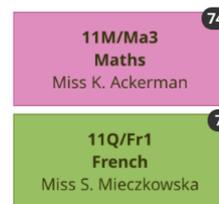

Different colours represent different types of homework that have been set.

- Class Test
- Differentiated
- Flexible Task
- Homework
- Quiz
- Spelling Test

White boxes show tasks that are due in on that day, with the outline showing the type of task

Coloured boxes show tasks that are set on that day, with the colour showing the type of task

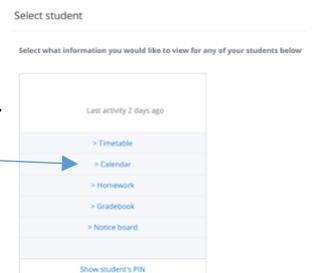

The number in the top right of a task shows how many days are left until it is due in

You can click on each task to view the description and any linked resources. You can download the linked resources or click on any websites that need to be used

4. Parent Accounts

When logged in, you can view the homework that is set for just your student(s) by clicking on calendar under their name

You can also view their timetable and any notices on the school notice board

You can add more than one student to a parent account by clicking on [Account settings](#) and entering the parent code for the other student(s)

You can also add the homework calendar to your iCal by subscribing to allow it to sync

You can also use the app with a parent account
