Dear Parent/Carer and Year 10 Students,

Re: Work Experience

We are writing to update you on work experience for Year 10. Unfortunately, due to the current situation with Covid-19, the decision has been made to cancel work experience for this academic year.

We have made this decision as we will be unable to ensure that students are safe within work settings as we are unable to complete planning for any work experience visits. As we are continuing to follow government guidelines with regards to social distancing, we are also unable to guarantee that we will be in a position to visit placements or safeguard students as a result. This has made it difficult to complete all the necessary preparation and legal work required for work experience.

We are sure that this will be a further disappointment at this difficult time but also hope you will appreciate and understand our decision.

Please contact Julie Randell, Leader of Careers with any further queries:

jrandell@southdartmoor.devon.sch.uk

We will be contacting all work experience providers independently, explaining the decision and thanking them for offering placements.

Yours faithfully,

Julie Randell

Ralph Wickenden

Leader of Careers

Assistant Principal
