“Educare” Requirements for 2nd Half of Summer Term

Dear parents/carers,

Please find below a link to a questionnaire to gather information about the need for the “Educare” service for the second half of the summer term. Please complete to indicate, either way, if you do or do not need to use the facility.

QUESTIONNAIRE

The facility will be returning to SDCC after the half term and will be located in the Library from 9am to 3pm. We are well placed to continue to provide the provision for an increasing number of students in the library and are able to observe the social distancing protocol that is in place nationwide.

The library is equipped with computers to enable the students to continue to access their online learning. Students will not be being taught in the traditional sense however they will have a safe supportive work environment to continue to be able to work remotely.

School uniform is not required and students are asked to provide a packed lunch. School lunches maybe available at a later date once more onsite services are brought back online, however we have no timescale for this currently.

Thank you for all that you are doing to support the COVID – 19 response.

Stay safe.

Emma Dixon
Deputy Head Curriculum and Assessment
