

Dear Parents, Carers and Wider College Community

Changing the times of the College Day September 2020: Consultation outcome

I am writing to you with the outcome of our consultation on the timings of the school day. The changes, alongside the rationale for change and timescales have been set out in our previous communications. We would like to thank you for your views and considered questions during the length of the consultation process.

After carefully considering all the feedback, which has included the views of parents, students, staff, governors and the wider community, we have decided to change the timings of the school day.

1. The start time of the College day will be 8.45am.
2. The finish time of the College day will be 3.10pm
3. Reduction of tutor time by 10 minutes from 25 minutes to 15 minutes
4. Reduced break one by five minutes to 30 minutes and increased break two to 40 minutes (This decision was made as a direct response to feedback from students and parents)
