Dear Y10 Student,

RE: GCSE Exam Results Day Procedure

I hope that this letter finds you in good health and you have managed to enjoy some of the earlier good weather. Teachers have been so impressed by the determination and dedication that you have demonstrated during lockdown.

The process of finalising your predicted grades and sending them to the respective exam boards has now been completed. Your teachers used a variety of methods to come to their judgements, including the rigorous moderation of all assessment results and knowledge they have of you from teaching you the GCSE content so far. The exam boards will then use all the national data to award you your exam element result, which will count towards your final GCSE result. You will receive your results on Thursday 20 August 2020.

At this stage, it is our understanding that, in line with current UK Government advice on the **#stay alert** phase of the easing of lockdown, mass gatherings will continue to be prohibited in the months to come. Therefore, in line with all other schools in our trust, we have taken the decision that results day will be hosted virtually.

You will receive your results electronically via your school email on Thursday 20th August @ 9:30am. This is also the day we can place hard copy results in the post, should you wish to receive your results in this way.

To receive your results via email on results day we can only send them to your school email address and we **must have your permission**. Please complete the electronic form, using [this link](#) or return the enclosed letter to the exams office by 11am Tuesday 14th July 2020. In completing the form, you are giving the school permission to send your examination results by;

- a. Email to my school email address

OR

- b. Post. These cannot be posted until results day so you will **not** receive your results until the following day at the earliest, depending on the post.

As always, if you require any further information, advice or guidance, please do not hesitate to contact me at school (afox@southdartmoor.devon.sch.uk).

Best wishes,

Adam Fox
Year 11 Progress Leader
