Arrangements for Results Day Pt 1

Dear Parents / Carers,

I sincerely hope that you and your family are safe and well.

I would like to take this opportunity to clarify arrangements for students receiving GCSE and A Level exam results this summer.

We have written to all the students that are due to receive their results this summer outlining the process. Here is a link to those letters

[Y10](#)

[Y11](#)

[Y12 and Y13](#)

Following the most recent Government guidance the Trust has taken the decision that results days will be conducted remotely and students will receive their results by email or post. Students have had a form to complete to indicate the preferred method of receiving their results.

On both results day the statement of results will be emailed to students or placed in the post, depending on student choice, at 9:30am. Bookable appointments with Careers advisors and members of the 6th form leadership team will then be available from 9:30am. These appointments are intended to support students seeking advice and clarification about the next steps in their educational journey. Each appointment will be 10mins long however if a longer conversation is required this will be accommodated.

Once the booking system has been finalised, information about how and when to make those appointments will be shared with parents and students. The appointments will be made and conducted through the existing Parents Evening booking system by video so no additional downloads will be required.

In the meantime if you have any queries please don't hesitate to contact the school via enquires@southdartmoor.devon.sch.uk and your email will be forwarded to the most appropriate person who will respond.

Kind regards

A handwritten signature in black ink, appearing to read 'EMD', is written over a light blue horizontal line.
