13th July 2020

Dear Parents and/or Carers,

You will be aware of the announcement on Thursday (09/07/2020) by the JCQ (Joint Council of Qualifications) of the dates for the autumn exam series. Please find a [link](#) to that announcement. It is clear that this series is intended to support those students for whom awarding of grade was not possible or for those that wish to improve their grade from that which was awarded. We will await the release of further details from the exam boards with regards to the specifics of entering for those exams should a student wish to. As soon as we have those specifics we will be in touch with information on what and how this will work.

In the meantime we have experienced staff available to continue to support all students affected by the cancellation of the summer 2020 exam season. Please in the first instance contact your child's tutor/head of house if you have any concerns and they will triage your query and ensure that it is dealt with by the most appropriate person.

Kind regards,

Samantha Harris
Examinations Officer
