

Tuesday, August 18, 2020

Dear Parents/Careers and students,

Results day Thursday 20th August 2020

In light of the unfolding situation surrounding A Level and GCSE grades we wanted to make contact in advance of the results day on Thursday 20th August 2020 to clarify the process and let you know what we will be doing to support you at this unusual time.

On Thursday at 8:30am (revised time from 9:30am) we will send out the statement of results which will be the Centre Assessed grades as indicated by the announcement from the Government earlier today.

Currently we are not aware of what the appeals process will look like. We do know that there is an appeals process for administrative errors. We will have already assessed the results for any of these and if affected students will be informed. Once an appeals process has been finalised we will be in contact to share that process and support any students for whom this would be a beneficial course of action

Video appointments will be available via [Parents evening system](#) for those parents/students that would like to discuss the next stage of the educational journey with a member of the 6th form leadership team.

For those students that have applied to South Dartmoor & Atrium 6th form we will use the CAG and our knowledge of your progress throughout Y11 to support the application process. If you have already applied, you will receive a letter of conformation of your place in the 6th form and associated paperwork to return. If you haven't already applied and would like to do so please complete this [form](#), selecting your preferred A Level/CTECH options from the blocks available. A member of the 6th form team will then be in touch to discuss your application.

Please make sure that you have communicated how you would like to receive your results. You will have received a letter with a link to a form enabling you to communicate your preferred method of receiving your results, email or post. If you have not made us aware please complete the form a copy of which is [here](#). If we are not informed of your preference we will post your results to you and you will receive them on Friday morning, post dependent.

Thank you for your support and understanding whilst we navigate this most unusual of situations. As ever we will continue to do what is right and in the best interests of our students.

Best wishes

Kevin Dyke

Interim Principal South Dartmoor

Jared Baldwin

6th form Lead
