Dear Parents / Carers

Friday 19 March 2021

As part of our on-going community activities, to celebrate students' return and to recognise Comic Relief Day, we will be providing free hot chocolate to students during break 1 tomorrow. Students will be able to contribute via donation buckets and funds raised will be donated to the Comic Relief 2021 appeal. This is completely voluntary. Hot chocolate will be served in each year group's bubbles to ensure our safety measures are not compromised. I would like to advise you that it will be a normal school uniform day.

Kind regards

Dan Vile

Assistant Head teacher
