Whilst in school we will be able to provide lunch provision though the canteen. Please indicate on the form if you would like to take advantage of this. Students' cashless accounts will be used to pay for these as before. Please ensure that balances remain topped up via parent pay.

The students are located in the Maths and English block and the Library and have access to a computer to enable them to access the live online learning. Please, where possible, ensure that your son/daughter has a set of cabled headphones so that they can listen to the lesson. Furthermore, students should be in full school uniform. The areas will be well ventilated so please make sure that they have an additional jumper should they need it.
