

04 October 2021

Dear Parent/Carer

## **Covid-19 Vaccination Session**

We are very sorry, but as we are rolling out this new programme of immunisations alongside the Flu programme we are having to adjust the way we deliver, while always prioritising the safety of the children we are working with. In view of this we are having to postpone your schools' Covid vaccinations due on 5<sup>th</sup> October . We will therefore only be offering flu on this occasion.

We will be in touch via the school when the rearranged session will be taking place.

Many apologies for the short notice and any inconvenience.

Kind regards

Devon Immunisation Team
