

24 November 2021

Dear Parent/Carer

FLU IMMUNISATION – SATURDAY 27 NOVEMBER 2021

On behalf of the School Age Immunisation Team, please see below the updates regarding flu immunisation.

We now have a secured date and venue for a clinic in Newton Abbot. This clinic is for those children who are extremely medically vulnerable and also for Years Reception to Year 11, who would have missed their flu vaccination at school when we visited. This is for the **flu** immunisation only.

The clinic date is Saturday 27 November 2021. Please call our SPA on 0300 247 0082 to book an appointment. Our lines are currently open 9.00 am until 12.00 pm and then 2.00 pm until 4.30 pm. Please note our lines do get extremely busy, so please try throughout the upcoming days and please accept our advance apologies if you don't manage to get through first time, do please keep trying. Alternatively, you could email us at vcl.immunisations@nhs.net

If you have already completed an electronic consent, please have the reference number that would have been emailed to you ready to provide to our SPA advisors – this will avoid any duplication. We will close this clinic at 4.30 pm on Thursday 25 November, so please do not call after this time. We will be holding further clinics in January and will keep you updated with these dates as soon as we can.

Please note, if your child has missed their Covid immunisation, you can now book this through 119 or online following this link:
