Dear Parent / Carer

RE: YEAR 9 VISIT TO PLYMOUTH UNIVERSITY – IMPACT DAY THURSDAY 9 DECEMBER

As part of the Careers Programme at South Dartmoor, we are running an impact day on Thursday 9 December 2021. The aim of impact day is to provide students with opportunities to experience both further and higher education settings, in order to inspire them and understand how certain subject's link to careers.

On Thursday 9 December, Plymouth University have offered to provide an exciting opportunity for all Year 9 students to visit their campus. The University has planned a tailor-made day where they will give students a tour of the campus and specialist facilities and, in addition, provide them with a variety of activities and talks linked to different subject areas and courses they have on offer.

This is a free trip for all Year 9 students. We will depart College at 9.00 am and return at approximately 2.45 pm. Students will need to wear school uniform and will need to bring a pack lunch; students who have free school meals will be provided with a pack lunch. In order for your child to attend this trip please complete the consent form on Parent pay by Friday 3 December 21. I stress that this trip is free but we will not be able to take students who have not had consent provided from parents. It is our aim to ensure every child attends. We are grateful for your support in this.

Yours sincerely
