Dear Parent/Carers

EXTRA CURRICULAR CLUBS

Please find attached our new clubs list for the rest of the Autumn Term.

Extra-curricular clubs are an important part of secondary school life and it gives your child an opportunity to try something new, meet new friends or improve on skills already acquired at primary school. We are eager to promote these clubs to our Year 7s so that all of them are participating in at least one extra-curricular club per term.

In the Spring Term, some of the sports clubs will change to reflect the competitive seasons. For example, a regular Year 7 football club will begin in the Spring Term.

We are always willing to hear about other suggestions for clubs that the school can run so if your child would like to make a suggestion, please ask them to come and see me in my office or they can talk to their tutor.

Best wishes

B Fuller
