Dear Parent / Carer

## **POSITIVELY YOU – EXAM BUSTERS – PARENT / CARER ZOOM MEETING**

As a part of our next impact day, on Friday 4 February, Year 11 will receive an 'Exam Busters' workshop. This will be delivered by the UK's leading provider of educational workshops, Positively You. Positively You is the UK's leading provider of educational and high-impact student and parent workshops. For over 20 years, they have helped to empower learners and inspire learning, providing the tools and techniques students need to excel in exams.

Whilst the workshop will be incredibly useful for our students, it also has parents / carers in mind. On Thursday 3 February, Positively You will be hosting a meeting on zoom, for parents to attend. The meeting will run from 5.00 – 6.00 pm and is accessible through the link below or by using the 'Meeting ID and Passcode'. You can access the meeting from 4.45pm. The session will run through what the students will be taught the next day and will provide you with tips about how you can support your child at home. This is particularly timely, with the next round of Year 11 mock exams starting in three weeks' time.

We would also like to warmly invite the parents/carers of our Year 10 students. Despite the fact that Year 10 students will not receive the workshop during their impact day this year, this meeting will still be beneficial for their parents / carers and students, especially with their forthcoming mock exams as well.

If you could ensure that when you join the call, your cameras and microphones are off please. This will allow the speaker to run the session as smoothly as possible. During the session, you will be able to post any questions that you have in the comments section, which the guest speaker will address.

The details of the Zoom meeting are as follows:
