Dear Parent / Carer

## TUTORING

I am delighted to be able to share with you that we have an opportunity to offer a select number of students some small group tuition in English to support and enhance the provision in school. We recognise the importance of a student achieving their full potential in English and the support that this gives students with their employability as well as accessing further education. This opportunity will take place online after school in groups of no more than three and will only be students from Year 10. All sessions will be taught by a trained specialist who will have been briefed in the areas of strength and development for each student.

There will be fifteen sessions in total and they will run each week via teams. We will be commencing with this programme the week beginning Monday 28 February. Once a student has signed up for this, attendance is mandatory. The day and timings of these sessions will be shared with you and the student before half term. The sessions will run between 5.00 pm and 8.00 pm. The sessions will run for one hour and the student's tutoring session will be the same day and time, each week.

We recommend taking up this offer and if you would like to do so, please complete the consent form at the bottom of this letter and return this to Mr Cox or Mrs French by Friday 18 February at the latest.

If you have any questions please do not hesitate to contact me.

Best wishes

*Nathan Cox*
