Dear Parent / Carer

I wanted to write to you to thank you for your support during these last two days of Ofsted, and indeed since I started at South Dartmoor eighteen months ago. As you are probably aware, I am unable to share the findings of the inspection until the report is published and this is not likely to be until May. However, I can say that your children were magnificent and I feel extremely proud of them with respect to how they conducted themselves and represented the community from which they come. The Inspectors recognised many strengths in the school and commented most specifically on the kindness of the students. It is clear that we have made significant progress, despite the challenges of the pandemic during these last two years, but we recognise that there are always things upon which we can improve. We have achieved a lot due to the hard work of the staff and the support you have given us and your children.

I will thank the students via electronic message and in school on Friday by way of serving them a hot chocolate during break 2.

Many thanks once again.

Best wishes
