

SOCIAL SCIENCES

Welcome to the Social Sciences Super Curriculum. Below you'll find a whole host of things to do to stretch yourself beyond the classroom curriculum.

Just turning up to your lessons is sometimes not enough, especially at A Level. You need to live it and breathe it to really thrive.

DO

RS: Why not visit Exeter or Plymouth Mosque? Exeter also has a Synagogue, but you will need to let them know that you would like to visit. Pay Buckfast Abbey a visit.

Further afield but still in the UK, the following are extraordinary sacred sites:

Glastonbury Tor - the single lonely tower atop the magnificent hillside of Glastonbury Tor is as mysterious as it is beautiful. St Albans Cathedral - St Albans is not only a stunning example of British architecture but also one of the oldest cathedrals in the UK. Shrine to Minerva, Bath. Stonehenge. Goat's Hole, Wales. Stones of Stenness, Orkney.
