Dear Parent / Carer

Year 11 GCSE support

I hope this letter finds you well and that you had a lovely summer.

You may have seen in the press and on our social media that we celebrated a fantastic set of GCSE results this year with our former Year 11 students. We are really proud of them but equally we are confident in our new Year 11 students and that next year's results will be better still. However, we recognise that this will only be achieved with hard work and dedication from students, parents, carers, and the staff at South Dartmoor Community College.

To that end, across the school year, there will be plenty of opportunity for students to attend additional classes, to further enhance their studies. Many of these additional classes will be open invitation and will run during break times, as well as after school. We will also be running morning sessions, on an invite only basis, to support students in English, Maths or Science, where a need has been identified. These groups will evolve throughout the school year. Information about the additional support will be shared with students in due course.

We look forward to working with you this year, to ensure the very best set of outcomes for your child. If you have any queries regarding Year 11, please do not hesitate to contact the following people:
