

23 February 2023

Dear Parent / Carer

STREET FACTORY – HIP HOP DANCE WORKSHOP - TUESDAY 28 FEBRUARY, 9.05 AM TO 7.15 PM

I am delighted to inform you that your child has been selected to take part in a Hip Hop and Life Skills workshop and evening performance with two professional dancers from Street Factory; a Plymouth based Hip Hop Education provision that believes in the power of this exciting and inspiring dance style to bring a community together through the exploration of respect, unity and fun. This event will take place at South Dartmoor Community College on Tuesday 28 February, 9.05 am to 7.15 pm and is completely free of charge.

What does the workshop involve?

Your child will spend the day exploring the core elements of Hip Hop, developing skills such as perseverance, collaboration and independence as well as working as part of a company to create a performance piece which will be shared as part of the Body Language 2023 programme, on Tuesday 28 February.

What does the day look like?

- Students will arrive to school as normal and attend registration. Students will then work in DA1 for the duration of the school day.
- After college, students are expected to stay on site to take part in the technical rehearsals from 3.00 pm to 5.30 pm.
- Students will have a short break for some refreshments and will then perform at the South DANCEmoor Celebration evening in the Main Hall, 6.00 pm – 7.15 pm.
- Your child will need a packed tea. For students who receive free school meals, a packed food bag will be provided.

What do I need to do?

Please complete the consent slip and ticket request overleaf and return to Mrs Slater by Friday 24 February to secure your child's place.

Please get in touch if you would like to know more about this opportunity.

Kind regards

A Slater
