Dear Student / Parent / Carer

## Year 12 & 13 Results Day 2023

I am very pleased to announce that we are opening the school for Results Day for Year 12 & 13 students on **Thursday 17 August from 9.00-10.00am.**

Upon arrival, students should make their way to Reception where they will be able to collect their statement of results. There will be a number of staff available on the day to celebrate results as well as offering support for students. This will include advice for careers, apprenticeships and further and higher education.

**We can only issue statements of results to students in person.** If, as a student, you would like someone else to collect your statement of results then you must request this by responding to the separate email that has been sent to your school email address. Any statements of results not collected during the morning will be posted home.

We are very much looking forward to celebrating Results Day with you and I look forward to seeing you on the 17<sup>th</sup> August.

Kind regards
