Dear Parent / Carer of

## Class Charts

I hope that you and your child are ready for another school year. To make the start of the new year smoother, I wanted to provide you with some information about Class Charts.

Class Charts is fundamental to our daily operation and it is a programme that all our students and parents need to be accessing regularly. Class Charts is an online system that teachers use to track achievement and behaviour throughout the school day. One of the key benefits of using Class Charts is that we can securely share your child's achievements with you and keep you up to date in real-time. You will be able to see your child's homework and their lesson timetable as well. It will also provide an opportunity for students to cash in their praise points in our online rewards store. It is the only place where students will find this information.

Each child has a unique access code which has been given to them at school and, over the coming days, their tutor will spend some time ensuring that they understand how to login and navigate Class Charts. Please follow the instructions below to access the accounts. If you have more than one child in the school, you can enter additional codes directly into your created account. Please note that the Class Charts student app and parent app are different from one another.

### Student login details:

1. Go to [www.classcharts.com/student/login](http://www.classcharts.com/student/login) OR download the Class Charts **Students** App from the Apple App Store or Google Play.
2. Enter your student access code
3. Click Log-in!

### Parent login details:

1. Go to [www.classcharts.com/student/login](http://www.classcharts.com/student/login) OR download the **Class Charts Parents App** from the Apple App Store or Google Play.
2. Enter your email address
3. Choose 'I don't have an account yet'
4. Enter your name and parent access code
5. Choose a password
6. Click Log-in!

Please get in touch if you have any questions, if you are having any difficulties logging into your account or need your access codes. Do not reply to this email address, as it is not a monitored box. Send any Class Charts queries to [enquiries@southdartmoor.devon.sch.uk](mailto:enquiries@southdartmoor.devon.sch.uk). Thank you for your continued support.

Best wishes

Nathan Cox

Assistant Headteacher
