21 September 2023

Dear Parent / Carer

I am writing to inform you that, based on recent mock analysis (Year 10 summer) and summative assessments, your child has been identified as needing intervention in their science subjects. We believe that with some additional support and guidance, your child can improve their grades.

To help your child succeed, we are offering sessions after school on a Thursday 3:10-4:10 pm. They start from 5 October 2023.

We strongly encourage your child to attend one of these sessions each week. These sessions will be a great opportunity for your child to receive personalised attention from a science teacher and to clarify any areas of confusion or difficulty.

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely
Mrs K McCarthy
