

Plymouth Hospital Charity-Keep Me Close Appeal

in conjunction with the Somerset Cricket Foundation

I would love your support in helping me raise some funds for the amazing Plymouth Hospital Charity Keep Me Close{ for families whose child is in the Neonatal Intensive Care Unit at Derriford} that did so much to help me and my family and continues to do so for many other families. Freddie, my grandson was born 15 weeks premature in 2019 and I can never thank them enough for the care they provided.

See the link below for what the Charity does:

[Keep Me Close Appeal - a home from home experience for for families of sick and premature babies requiring Neonatal Intensive Care | University Hospitals Plymouth NHS Trust \(plymouth hospitals.nhs.uk\)](https://plymouthhospitals.nhs.uk/keep-me-close)

I would also like to raise some funds for the Somerset Cricket Foundation. We are looking to purchase a portable defibrillator for our Community Engagement Programmes.
