Dear Parent / Carer

Christmas Lunch

On Wednesday 13 December, the College's catering provider South West Norse, will be offering Christmas lunch. The menu consists of a choice of roast turkey with all the trimmings or vegetarian wellington, dessert comprising of chocolate yule log and cream or raspberry ripple ice cream roll. There will be an option of roast turkey and all the trimmings baguette for Sixth Form students. To make this as special as possible the College has taken the difficult decision to increase the cost by £1 so the two-course meal is £3.65.

Thanks to the funding secured by the College's PTA - FOSDA 'Friends of South Dartmoor Association', for students who receive Free School Meals the cost will be fully covered. Please can you share this with students as they will be asked during Friday's morning welcome whether they intend to take up this opportunity.

Please can you remind students who eat from the canteen, they will only be able to choose from these options during lunch time and therefore if they would like something different to purchase this during break time instead.

If you have any questions, please contact Reception enquires@southdartmoor.devon.sch.uk .

Yours sincerely

Chris Tregidgo
Operations Manager
