

SOCIAL SCIENCES

Welcome to the Social Sciences Super Curriculum. Below you'll find a whole host of things to do to stretch yourself beyond the classroom curriculum.

We want to inspire a love of learning by encouraging you to live the education you learn in the classroom and expanding on it further.

DO

CRIMINOLOGY: Research current crime statistics - specifically offending and reoffending rates on the [Office for National Statistics](#) website.

CHILD CARE: Plan an activity suitable for a 3 year old, which could develop their social skills.

HEALTH AND SOCIAL CARE: Produce a risk assessment; walk to your local park, identifying potential hazards on the way. Explain how you could overcome them.

PSYCHOLOGY: Show your friends/family a clip. Write a set of open questions to test their memory.
