Dear Parent / Carer

Food information

Nut Free school

As we welcome new students to the college, we wish to remind parents that we are a nut free school, which extends to packed lunches. We have several students with very serious nut allergies and, as such, we need to be assured of our 'nut free' status in order to keep those students well and safe. We would be very grateful if considerations could be made when choosing what types of food are brought onto the buses and premises to keep everyone safe.

Free School Meal allowance

Over the summer it has been confirmed nationally that the free school menu allowance will be changing from £2.65 to £2.75. As a result, the main meal option for the day will be changing to reflect this. With the increase of food costs, the college has no choice but to increase costs by 5% unfortunately. We have tried keeping this to a minimum but in order to not compromise on quality or quantity it is paramount that this happens.

School Menu

For this term, please see the college website menus and prices.

Yours sincerely

Chris Tregidgo
Operations Manager
