FEEDBACK FORTNIGHT 2 - Monday 4th - Friday 15th June: For the next 2 weeks your teachers will ask you to take home evidence of what you have been learning in your subject lessons. For example, this might be your exercise book,

sketchbook, learning log or equivalent. We would like you to show this work to your parents and talk them through what you have been doing in school and for home learning. Your teachers will want your parents to sign your books to show that they have gone home and your parents may want to write their own comment as well. We have tried to make this easier by using brightly coloured green stickers to show your parents where to sign and/or make comments. Please don't forget to bring your books back into school for your next lesson! BRD/DXX
