

6th June 2024

Dear Parent/Carer

Post 16 – Devon County Transport and 16-19 Bursary Information

As we support your preparations for Post 16 education with us for September 2024, we feel it is important to provide you with up-to-date information on securing Devon County Council transport provision and 16-19 bursary applications.

Post 16 Transport with Devon County Council

Please [click here](#) to access the Devon County Council Guide to Post 16 Transport.

All Year 12 and 13 students who wish to access the DCC transport offer to and from South Dartmoor Sixth Form must complete a [‘vacant seat’ application form](#). This needs to be done as soon as possible in order to secure a place. If there is space, DCC will then email you confirmation of a ‘provisional’ seat and a transport payment form. Please see the website for the charges and payment options. As soon as they receive payment, they will then release the pass. This all needs to be done at the earliest opportunity in order to secure a place and receive the bus pass in time for the start of term.

Please note, if you are a current Year 12 student and have a secured place on DCC issued transport for 2023-24, you will need to re-apply now for a seat for 2024-25 (Year 13).

If you wish to access 16-19 bursary funding to support the payment of this, a successful bursary application will be required. For further information about this, please do not hesitate to contact Mrs. Sarah Carroll in the Sixth Form office (sixthform@southdartmoor.devon.sch.uk) or telephone (01364 652230).

If you are applying as an external student, please let us have your full postal address as soon as possible.

Thank you.

Best wishes

Kerri McCarthy

**Associate Assistant Head Teacher
Director of Sixth Form and Head of Science**
