

SOCIAL SCIENCES

Welcome to the Social Sciences Super Curriculum. Below you'll find a whole host of things to do to stretch yourself beyond the classroom curriculum.

We want to inspire a love of learning by encouraging you to live the education you learn in the classroom and expanding on it further.

DO

CRIMINOLOGY: Research current crime statistics on the [Office for National Statistics](#) website.

CHILD CARE: Plan an activity suitable for a 2 year old, which could develop their understanding of emotions.

HEALTH AND SOCIAL CARE: Plan an outing for thirty 5-year-olds; choose where to take them, consider how many staff you need and create a risk assessment.

PHILOSOPHY: Find out who Plato was.

PSYCHOLOGY: After reading the article Sniff Test, create a sniff station for a friend or family member, including items such as foods, drinks, perfumes or lotions to smell. Record their reaction: Do they like it? How does it make them feel? What does it make them think of?
