Empowering everyone to be the best they can be.

05 September 2024

Dear Parents / Carers

Invite to Attendance Surgery meetings

We hope this letter finds you well. At South Dartmoor we are committed to ensuring that every student has the opportunity to succeed. Regular attendance is a crucial part of this success, and we understand that sometimes challenges can arise that make it difficult for students to attend school consistently.

In an effort to support our students and their families, we are pleased to invite you to our first Attendance Surgery. This event will take place on Tuesday 22 October and will consist of 20 minute individual appointments, designed to provide personalised support and guidance to help improve your child's attendance. Appointments will be available either online via Microsoft Teams or in person at school.

During your appointment, you will have the opportunity to discuss any concerns or barriers to attendance with myself and Mr Huntley (Attendance Officer). We will work together to develop strategies and solutions tailored to your child's needs. Our goal is to ensure that every student can benefit from consistent school attendance and achieve their full potential.

If you would like to schedule an appointment, please follow [this link](#).

We encourage you to take advantage of this opportunity to receive support and resources that can make a positive difference in your child's education. If you have any questions around booking, please feel free to contact me via email on rmunro@southdartmoor.devon.sch.uk.

Thank you for your continued support and commitment to your child's success. We look forward to seeing you soon.

Best wishes

Mr Ross Munro
Deputy Pastoral Lead
