Empowering everyone to be the best they can be.

20 September 2024

Dear Parent / Carer

I would like to make you aware of a change to your son/daughter's tutor group from Monday 23 September. Mr Hodges is currently unwell and absent from school. Mrs Avery-Wright and Mr Cheston will be taking over the tutor group which will provide consistency going forward whilst Mr Hodges is absent. Details regarding covering Mr Hodges' teaching classes with a specialist teacher will follow shortly to all parents.

Changes to Personal Tutors are not something we take lightly, but this change is essential to make sure we maintain the high-quality day to day tutorial delivery and pastoral care for son/daughter. I will, of course, ensure that the welfare of students within the tutor group is a priority during this transition period.

Any questions regarding the change to your son/daughter's Personal Tutor, please do not hesitate to contact Mrs Solly. I have placed below the contact details for Mrs Avery-Wright and Mr Cheston.
