Dear Parent / Carer

## **YEAR 11 GCSE Revision Timetable**

Year 11 have made an excellent start to their English studies for their upcoming mocks and subsequent exams. To support students further we have put together a suggested revision timetable for students to follow from now until the second mock cycle. This timetable, covering both Literature and Language, has been put on the Year 11 Teams channel and is accessible to all

Each week there are two targeted revision tasks for students to complete. This will complement their weekly homework, tutor sessions and normal timetabled lessons. Any work students complete should be brought into school for their English teacher to mark and receive feedback on.

Following the mock cycles the timetable will be updated to respond to the mock exams. This is an amazing opportunity for students to boost their knowledge and understanding.

I hope that you welcome this additional resource and will give us your valued support.

Yours sincerely

Jen French  
Head of English
