Dear Parents / Carers

## **Re: ADJUSTMENTS TO THE GEOGRAPHY TIMETABLE/TEACHERS**

As you may have heard, Mr Hodges, Curriculum Leader for Geography, is absent due to ill health and will be away for a number of weeks. We have made the proactive decision to make some adjustments to the timetable/teachers of Geography so that students' learning is not disrupted. We are fortunate to have scope within the existing teaching staff to ensure that students continue to receive a high-quality learning experience with teachers who know the students well and are able to support them. Not all children are impacted, however, we will be printing new timetables for all students that reflect the changes. Students will receive their updated timetables on Thursday morning in Morning Welcome with the changes taking effect from then.

Thank you for continued support and understanding and, I am sure you will, like us, wish Mr Hodges a speedy recovery.

Kind regards

**Mrs E Gallagher**  
Deputy Headteacher
