We need you to be really supportive of our Yr. 6 students who will be with us next week. Please look out for any students who are lost or upset. Please include them in any games you are playing and be friendly, kind and thoughtful. Finally, loud shouting and OTT behaviour can be frightening so you need to be especially considerate next week.

Outdoor eating at the Rock is back on next week following a closure for litter. We want this space to be open for you to eat outside but this can only happen if you ALL make the effort to pick up litter and bin it – whether it is yours or your friend's or someone else's litter.

Front playground duty team – please be aware of the Yr6 in this space and keep control of the ball games as I do not want to be dealing with accidents and injuries from careless play. WOO
